EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in this Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. Financial Statements and Reports

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2020 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

In accordance with amendments to the Corporations Act, the Company is no longer required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy. Shareholders may view the Company annual financial report on its website at www.arumaresources.com.

Shareholders will be offered the following opportunities:

- (d) discuss the Annual Financial Report for the financial period ended 30 June 2020;
- (e) ask questions and make comment on the management of the Company;
- (f) ask questions about, or make comment on, the Remuneration Report;
- (g) ask the auditor questions about:
 - (i) the conduct of the audit;
 - (ii) the preparation and content of the Auditor's Report;
 - (iii) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (iv) the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the content of the Auditor's Report; and
- (b) the conduct of the audit of the Financial Report.

may be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

Resolution 1 – Adoption of Remuneration Report

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2020.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting. Shareholders should note that the vote on this Resolution is advisory only and does not bind the Company or the Directors.

Voting Consequences

Under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

Previous Voting Results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

Proxy Restrictions

Pursuant to the Corporations Act, if you appoint a member of the Key Management Personnel (other than the Chair) or any Closely Related Party as your proxy to vote on this Resolution 1, **you must direct the proxy how they are to vote**. Where you do not direct such a person on how to vote on this Resolution 1, the proxy is prevented by the Corporations Act from exercising your vote and your vote will not be counted in relation to Resolution 1.

If you appoint the Chair as your proxy, and you do not direct the Chair on how to vote on this Resolution 1, then by signing and returning the proxy form you are giving express authorisation for the Chair to vote all undirected proxies **FOR Resolution 1** even though the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Resolution 2 – Re-election of Director – Mark Elliott

Rule 7.3 of the Constitution requires that at each annual general meeting, one-third of directors for the time being (rounded down to the nearest whole number) shall retire from office and that a Director that so retires is eligible for re-election. Additionally, Listing Rule 14.4 provides that a Director must retire from office no later than the longer of the third annual general meeting of the Company or 3 years following that Director's last election or appointment. The retirement rules do not apply to the managing director.

Pursuant to rule 7.3 of the Company's Constitution, Dr Mark Elliott, being a Director of the Company, retires by way of rotation and, being eligible, offers himself for re-election as a Director of the Company.

Dr Elliott has been a Director since 1 July 2017 and was last re-elected on 28 November 2018.

Qualifications

Dr Elliott (Dip App Geol, PhD FAICD, FAusIMM(CPGeo), FAIG) is a chartered practising geologist with expertise in multiple mineral commodities and energy sectors. Dr Elliott has a proven track record in corporate management and growing successful businesses in the resource sector.

Other Material Directorships

Dr Elliott is Non-Executive director of Nexus Minerals Limited.

Independence

Dr Elliott is a Non-Executive Director of the Company. The Board considers that Dr Elliott is an independent director.

Board Recommendation

The Directors (apart from Dr Elliott) recommend that Shareholders vote in favour of the election of Dr Elliott.

Resolution 3 – Approval to Issue Securities Under Employee Incentive Scheme

Background

The Board adopted the Employee Incentive Plan in October 2017 and it enables the Company to issue Options or Performance Rights to eligible participants being employees (full and part-time), directors, relevant contractors, casual employees and prospective parties in these capacities.

The Employee Incentive Plan is intended to provide an opportunity to eligible participants to participate in the Company's future growth and assist with reward and retention of eligible participants.

The Employee Incentive Plan is an employee incentive scheme in accordance with the Listing Rules.

The Employee Incentive Plan is in accordance with ASIC Class Order 14/1000, as amended, which expanded the class of financial products that could be offered (ie performance or incentive rights can be issued as well as shares and Options) and expanded the categories of persons who can participate (ie certain contractors and casual employees).

A summary of the Employee Incentive Plan is set out in Schedule 1.

4.2 Listing Rule 7.2 Exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Although Shareholder approval is not required under the Corporations Act or the Listing Rules for the operation of the Employee Incentive Plan itself, Listing Rule 7.2 Exception 13(b) provides that an issue of securities under an employee incentive scheme (such as the Employee Incentive Plan) will not be included in calculating the Company's placement limit in Listing Rule 7.1 if it is made within 3 years after shareholders approve the issue of equity securities under the scheme as an exception to the placement limit.

By this Resolution the Company is seeking approval to issue securities under the Employee Incentive Plan for a period of 3 years from the Meeting to eligible participants who are not Directors or Listing Rule 10.14 parties, so that the issue of securities is excluded in calculating the placement limit in Listing Rule 7.1.

This will enable the Company to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval to such issues under Listing Rule 7.1.

If this Resolution is passed, the Company will be able to proceed with issues of securities under the Employee Incentive Plan for a period of 3 years from the Meeting and these issues will be excluded in calculating the Company's placement limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval.

If this Resolution is not passed, any issues of securities under the Employee Incentive Plan will be included in calculating the Company's placement limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval.

For Shareholders to approve the issue of securities under the Employee Incentive Plan for a period of 3 years from the Meeting, the following information is provided to Shareholders in accordance with Listing Rule 7.2 Exception 13(b):

- (i) A summary of the Employee Incentive Plan is set out in Schedule 1. Options or Performance Rights may be issued under the Employee Incentive Plan to eligible participants.
- (ii) The number of securities issued under the Employee Incentive Plan since the date it was approved by Shareholders at the 2017 annual general meeting is 14,000,000 Options including to Directors and to unrelated eligible participants.
- (iii) The maximum number of equity securities proposed to be issued under the Employee Incentive Plan following Shareholder approval sought by this Resolution is 160,000,000 equity securities.

Any equity securities proposed to be issued under the Employee Incentive Plan to a Director or Listing Rule 10.14 party will require separate Shareholder approval under Listing Rule 10.14 of the Listing Rules.

4.3 Board recommendation

The Board recommends that Shareholders approve the issue of securities under the Employee Incentive Plan as it will allow the Company to issue such securities for the benefit of eligible participants for a period of 3 years from the Meeting whilst preserving the Company's placement limit in Listing Rule 7.1 and will provide flexibility in the manner in which the Employee Incentive Plan is managed.

Resolution 4 – Approval for Additional 10% Capacity

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

This Resolution seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit in issuing equity securities without shareholder approval set out in Listing Rule 7.1.

5.2

Information for Shareholders as required by Listing Rule 7.3A

(i) Period for which approval is valid

An approval under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (b) The time and date of the Company's next annual general meeting.
- (c) The time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2.

(ii) Minimum price at which equity securities may be issued

Any equity securities issued under Listing Rule 7.1A must be in an existing quoted class of the eligible entity's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (b) if the securities are not issued within 10 Trading Days of the date in paragraph (a), the date on which the securities are issued.

(iii) Purposes for which funds raised may be used

Equity securities can only be issued under Listing Rule 7.1A for a cash consideration. Funds raised by the issue of equity securities under Listing Rule 7.1A may be used for the continued development of the Company's current assets, the acquisition of new assets or other investments (including expenses associated with such acquisition), and for general working capital.

(iv) Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the equity securities in that class may be significantly lower on the issue date than on the date of the Shareholder approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for variable "A" in the formula in Listing Rule 7.1A.2. This includes one example that assumes that "A" is double the number of Shares on issue at the time of the approval under Listing Rule 7.1A and that the price of Shares has fallen by 50%.

Number of Shares on Issue (Variable "A" in Listing Rule 7.1A.2)	Number of Shares issued under additional 10% capacity	Dilution		
		Funds raised based on issue price of 0.35 cents (50% decrease in current issue price)	Funds raised based on issue price of 0.7 cents (Current issue price)	Funds raised based on issue price of 1.4 cents (100% increase in current issue price)
1,589,413,904 (Current)*	158,941,390	\$556,295	\$1,112,590	\$2,225,179
2,384,120,856 (50% increase)	238,412,085	\$834,442	\$1,668,885	\$3,337,769
3,178,827,808 (100% increase)	317,882,780	\$1,112,590	\$2,225,179	\$4,450,359

*The number of Shares on issue (variable "A" in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

1. The current Shares on issue are the Shares on issue as at 20 October 2020.
2. The issue price set out above is the closing price of the Shares on the ASX on 20 October 2020.
3. The Company issues the maximum number of equity securities available under the additional 10% capacity.
4. No Options are exercised into Shares before the date of the issue of the equity securities.

(v) Allocation Policy

The Company's allocation policy for the issue of equity securities under the additional 10% capacity will depend on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- (b) the effect of the issue of the equity securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the additional 10% capacity have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company and may include new investors who have not previously been Shareholders.

(vi) Equity securities issued under Listing Rule 7.1A.2 in the previous 12 months

The Company has issued or agreed to issue a total of 103,400,000 equity securities under Listing Rule 7.1A.2 in the 12 months preceding this Meeting and this represents 14.33% of the total number of equity securities on issue at the commencement of that 12 month period.

In accordance with Listing Rule 7.3A.6, details of the issues of equity securities under Listing Rule 7.1A.2 in the 12 month period preceding this Meeting are:

Date of Issue	Names of persons issued equity securities or basis of identification	Number and class of equity securities issued	Price at which equity securities issued and any discount to closing market price on date of issue	Total cash consideration received and what cash has been spent and what it has been spent on and intended use of remaining cash
10 June 2020	Sophisticated investors exempt from or outside the disclosure requirements under Chapter 6D of the Corporations Act. None of the recipients was a related party.	13,400,000 Shares	0.4 cents being no discount to the then closing market price of 0.4 cents on the date of issue.	\$53,600 was received and has been spent on ongoing exploration of the Company's existing gold projects and for general working capital.
7 August 2020	Sophisticated investors exempt from or outside the disclosure requirements under Chapter 6D of the Corporations Act including entities associated with Mr Stephen Copulos. None of the recipients was a related party.	90,000,000 Shares	0.4 cents being a discount to the then closing market price of 0.5 cents on the date of issue.	\$360,000 received. No cash has been spent but it is intended to be used to fund exploration at the Company's Australian gold projects, including its new Pilbara projects, the costs of the issue and ongoing working capital.

(vii) Voting Exclusion Statement

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

APPOINTMENT OF A PROXY

If you wish to appoint the Chair as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chair, please write that person's name in the box in Step 1. A proxy need not be a shareholder of the Company. A proxy may be an individual or a body corporate.

DEFAULT TO THE CHAIR OF THE MEETING

If you leave Step 1 blank, or if your appointed proxy does not attend the Meeting, then the proxy appointment will automatically default to the Chair of the Meeting.

VOTING DIRECTIONS – PROXY APPOINTMENT

You may direct your proxy on how to vote by placing a mark in one of the boxes opposite each resolution of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any resolution by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given resolution, your proxy may vote as they choose to the extent they are permitted by law. If you mark more than one box on a resolution, your vote on that resolution will be invalid.

PROXY VOTING BY KEY MANAGEMENT PERSONNEL

If you wish to appoint a Director (other than the Chair) or other member of the Company's key management personnel, or their closely related parties, as your proxy, you must specify how they should vote on Resolution 1 & 3, by marking the appropriate box. If you do not, your proxy will not be able to exercise your voting rights for Resolutions 1 & 3.

PLEASE NOTE: If you appoint the Chair as your proxy (or if they are appointed by default) but do not direct them how to vote on a resolution (that is, you do not complete any of the boxes "For", "Against" or "Abstain" opposite that resolution), the Chair may vote as they see fit on that resolution.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning Advanced Share Registry Limited or you may copy this form and return them both together.

To appoint a second proxy you must:

- 1) On each Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- 2) Return both forms together.

In accordance with Listing Rule 14.11, if you hold shares on behalf of another person(s) or entity/entities or you are a trustee, nominee, custodian or other fiduciary holder of the shares, you are required to ensure that the person(s) or entity/entities for which you hold the shares are not excluded from voting on resolutions where there is a voting exclusion. Listing Rule 14.11 requires you to receive written confirmation from the person or entity providing the voting instruction to you and you must vote in accordance with the instruction provided.
